

Dairyland Seed
A Growing Force

HybriForce-800

HybriForce-800 is a non-dormant hybrid alfalfa variety developed through Dairyland Seed’s patented SUNSTRA Hybrid Alfalfa Technology. It is an aggressive, fast growing dormancy 8 alfalfa. It has a uniform growth habit which allows producers to better manage forage quality. The high forage yield capabilities of **HybriForce-800** are expressed in both optimal and stress environments. **HybriForce-800** is unsurpassed in its ability to produce consistent, uniform, high quality forage.
